**WHAT: FULL CLOSURE OF SOUTHBOUND INTERSTATE 15
FOR EMERGENCY SLAB REPLACEMENT**

WHEN: WEDNESDAY & THURSDAY - JULY 6 & 7, 2005

WHERE: SOUTHBOUND I-15 AT THE 215 INTERCHANGE IN DEVORE

Caltrans will conduct two nights of emergency slab replacement on southbound I-15 at the 15/215 connector on Wednesday and Thursday, July 6 and 7, 2005. Nightwork has been scheduled from 11:00 p.m. to 4:00 a.m. to minimize congestion. The work will replace storm-damaged pavement on the middle lane of the 3-lane freeway at the interchange. A full freeway closure is necessary for this paving on southbound I-15 at the interchange of I-215.

Motorists will be detoured from southbound I-15 to southbound I-215 down to westbound I-10. Delays are not expected during the nightwork, however, the trucking industry is advised to make arrangements in advance for travel times and the detour route.

For information on this project and other ongoing work in the Inland Empire please go to our website at www.dot.ca.gov/dist8 then go to "press releases" or call us Monday through Friday from 8:00 a.m. to 5:00 p.m. at (909) 383-4631. Caltrans will be closed on Monday July 4, 2005 in observance of Independence Day.

SLOW FOR THE CONE ZONE!
